Other Important Info

Parking Tags

Each residence is allowed three (3) parking hang tags. Hang tags are orange.

Homeowner's with motorcycles will be issued a parking sticker vice hang tag.

Residents will turn over one of their three hang tags and be issued a parking decal sticker for their motorcycle.

Towing

Towing will be enforced between 12am—5am starting 1 August.

Because Virginia has extended dates for registration and other vehicle related requests at the DMV, A1 towing will only tow for parking without a parking tag.

The overall policy now states that you have a 30-day window to address any registration issues (so if you have a May 2020 registration you would have to the end of June before A1 would tow your car) prior to being towed. Previously A1 would tow for expired registration on your car, but due to Virginia's extension, we will not be enforce towing.
